VERDICT SHEET

Re: Celeste v. East Meadow School District
CV 06-3426
May , 2008

Plaintiff's Claim

1.   Has Plaintiff shown the existence of any barrier that makes the School District's programs inaccessible?

YES ___✓___   NO_____

If you answered NO to Question Number 1, return to the courtroom.

If you answered YES to Question Number 1, you must indicate which area listed below constitutes a barrier that makes the School District's programs inaccessible by placing a check mark on the line to the left of the area indicated on this form:

_____   Section of sidewalk outside gate along Cynthia Drive

_____   Bus Shelter and Platform

__✓__   Walkway between the gym and athletic fields

__✓__   Gates between gym and athletic fields

_____   Entrance H (defect in the approach to this entrance)

_____   Entrance I (defect in the approach to this entrance)

__✓__   Athletic or physical education programs on the athletic fields

If you answered YES to Question Number 1, after indicating the area(s)that constitute the barrier, proceed to answer Question Number 2.

EXHIBIT

_α_

2.   Has the Plaintiff proven change(s) that will make the School District's programs with respect to the area(s) you indicated accessible?

YES __✓__   NO _____

If you answered NO to Question Number 2, return to the courtroom and DO NOT answer Question Number 3.

If you answered YES to BOTH Questions 1 AND 2, proceed to Question Number 3.

Defendant's Defense

3.   Has the School District proven that the change(s) suggested by the Plaintiff pose an undue financial and/or administrative burden on the School District?'

YES _____   NO __✓__

If you answered YES to Question number 3, return to courtroom.
If you answered NO to Question Number 3, proceed to consider Question Number 4, "Damages."

Damages

Answer Question 4 "Damages," ONLY if You answered YES to Questions 1 AND 2 AND NO to Question
